

Deployable Ground Support Systems for Aircraft #1 Supplied, Serviced and Managed by The Air Doctor

TADSVU416SEALVAC
Fuel Drain System
For Rapid Defuelling
NSN: 2330-01-531-3494

TADDDPHT
Octopus Fuel Dribble Drain Plate
NSN: 1680-66-155-9355
Cage Code: Z8364

M43TAD2015BAM
Mobile Compressor / Breathing Air
Purifier – Deployment Approved
NSN: 4460-66-54-1765
Cage Code: Z8364

TAD4900 COOLER
Portable Air Conditioner
NSN: 4120-66-154-1845
Cage Code: Z8364

TADYPTP
Pneumatic Fuel Transfer Pump
Cage Code: Z8364

Mini Sealvac Drum
Pneumatic Operation
Cage Code: Z8364

TADEF15500
CSET Confined Space Entry Trailer
NSN: 1740-66-156-0307
Cage Code: Z8364

TAD ACM20
Aviation Fuel moisture and
contamination analysis

TAD1000HCU
Humidity and Temperature Control Unit
For Confined Space Entry and
Corrosion Control
NSN: 4120-66-154-4323
Cage Code: Z8364

Deployable Fuel Tank Repair Systems

Aircraft Fuel Tank Ventilation Kits

Dehumidification & Corrosion Control Systems

Mothballing Systems to Protect your Equipment

Fuel Drying Systems

Deployable Breathing Air Compressors

Deployable Breathing Air Purifier

Confined Space Entry Humidity and Temperature Control Systems

Nitrogen Generator Systems

The Air Doctor Design and Custom build for your specific application also providing training and certification.
