

Deployable Ground Support Systems for Aircraft #2 Supplied, Serviced and Managed by The Air Doctor

TAD2015BAM
Deployment Breathing Air Purifier
NSN: 4460-66-151-2523
Cage Code: Z8364

TAD BA2REG
Emergency Backup Medical Air
Cage Code: Z8364

TAD2012/K17AC
Deployment Breathing Air Compressor/Purifier
NSN: 4460-66-151-5272
Cage Code: Z8364

1) Air Test Kit
Testing Breathing Air Quality
2) Dew Point Kit
Measuring the moisture content in the air.

TAD ESOV
Training aid for simulating
emergency shut down of compressed
air for confined space entry

Pneumatic Air Mover
Compact,
Cage Code: Z8364

TAD 300MCS
Portable Electric Dehumidifier
240V AC

TADMAV1
Aircraft Fuel Tank Ventilating Kit

*Accessory kits available for all
aircraft – (P3, C17, B737, F18, C130)*

TAD 209 – 10AMRD
Portable Pneumatic Dehumidifier
Cage Code: Z8364

Deployable Fuel Tank Repair Systems

Aircraft Fuel Tank Ventilation Kits

Dehumidification & Corrosion Control Systems

Mothballing Systems to Protect your Equipment

Fuel Drying Systems

Deployable Breathing Air Compressors

Deployable Breathing Air Purifier

Confined Space Entry Humidity and Temperature Control Systems

Nitrogen Generator Systems

The Air Doctor Design and Custom build for your specific application also providing training and certification.
