

**Deployable Ground Support Systems for Aircraft  
Supplied, Serviced and Managed by The Air Doctor**

**TADSVU416SEALVAC  
Fuel Drain System  
For Rapid Defuelling  
NSN: 2330-01-531-3494**

**TADDDPHT  
Octopus Fuel Dribble Drain Plate  
NSN: 1680-66-155-9355**

**M43TAD2015BAM Version 2  
Mobile Compressor / Breathing Air  
Purifier – Deployment Approved  
NSN: 4460-66-159-5663**

**TAD 16KVA GEN3PH  
16kVA Diesel Generator**

**TADYPTP  
Pneumatic Fuel Transfer Pump**

**Mini Sealvac Drum  
Pneumatic Operation**

**TADESF15500  
CSET Confined Space Entry Trailer  
NSN: 1740-66-156-0307**

**TAD2012/K17AC  
Deployment Breathing Air  
Compressor/Purifier  
NSN: 4460-66-151-5272**

**TAD2015BAM  
Deployment Breathing Air Purifier  
NSN: 4460-66-151-2523**

**TAD AEI240VAC  
Explosion Proof Electric Air Blower  
NSN: Pending**

**TAD ACM20  
Aviation Fuel moisture and  
contamination analysis**

**TAD4900 COOLER  
Portable Air Conditioner  
NSN: 4120-66-154-1845**

**TAD1000HCU  
Humidity and Temperature Control Unit  
For Confined Space Entry and  
Corrosion Control  
NSN: 4120-66-154-4323**

**TAD ESOV  
Training aid for simulating  
emergency shut down of compressed  
air for confined space entry**

**Pneumatic Air Mover  
Compact,**

**TAD 300MCS  
Portable Electric Dehumidifier  
240V AC**

**TADMAV1  
Aircraft Fuel Tank Ventilating Kit**

**Accessory kits available for all  
aircraft – (P3, C17, B737, F18, C130)**

**TAD 209 – 10AMRD  
Portable Pneumatic Dehumidifier**

**TADNITGEN1  
Portable Nitrogen Generator**

**TADSR20  
Static Bonding Reeler**

**1) Air Test Kit  
Testing Breathing Air Quality  
2) Dew Point Kit  
Measuring the moisture content in the air.**

**TAD N2BP  
Nitrogen Booster Pump  
Up to 300BAR**

**Model: TAD2030RAPID DRY  
Rapid Dry System  
Ultra Dry Air for Corrosion Control,  
Airwave Guide and Radar Drying  
Fuel Drying**

**TAD BA2REG  
Emergency Backup Medical Air**

**TADVAC-2  
Pneumatic Life jacket deflation kit  
Compact**

**TADVAC-3  
Pneumatic Life raft deflation kit**

**TAD CO-01  
Carbon Monoxide Personal Gas  
Detector**

## **Deployable Fuel Tank Repair Systems**

## **Aircraft Fuel Tank Ventilation Kits**

## **Dehumidification & Corrosion Control Systems**

## **Mothballing Systems to Protect your Equipment**

## **Fuel Drying Systems**

## **Deployable Breathing Air Compressors**

## **Deployable Breathing Air Purifiers**

## **Confined Space Entry Humidity and Temperature Control Systems**

## **Nitrogen Generator Systems**

**The Air Doctor Design and Custom build for your specific application also providing training and certification.**
